Terms—Our terms are cash, or satisfactory references before shipment. To established nurserymen, seedmen, florists and dealers known to us, or to those who have necessary rating, credit will be granted as follows: 60 days net f. o. b. Hemet, California; or for cash (with order or before shipment) 3% discount allowed; if paid in 10 days 2% allowed; if paid 30 days, 1% allowed. After 30 days no discount whatsoever.

To the Trade Only—Prices shown are for first-class stock of the grade named.

The use of printed stationery as protection is desirable. If it is not used, the purchaser should state clearly his position. We print only wholesale trade lists, and do not desire or solicit retail orders.

Substitution—We do not substitute unless instructed to do so, and then label true name. Customers will save time by naming a second choice, to be supplied only when first choice is sold out.

Pro Rata—As it is almost impossible to count Roses in the field when partly grown, there is a feature of uncertainty about all orders booked before digging. Consequently we reserve the right to fill such pro rata.

Genuineness—We exercise great care to keep all varieties true to name and will replace on proper proof, all stock that may prove otherwise, but it is mutually agreed that we shall not be liable for any amount greater than the original price of the stock. All quotations made subject to stock being unsold when order is received, or loss by any and all unavoidable causes. Freight shipments travel at risk of purchaser.
